OTOKAR is the leading bus manufacturer in Turkey. Today, OTOKAR brand vehicles are sold in more than 40 countries. In September 2011, the company established OTOKAR S.A.S., its European headquarters in **Roissy-en-France**.
- **What kind of bus for the City Tour 2023?**
In 2023, OTOKAR is launching the **e-Centro C** urban minibus on the European market. Small and compact, it can squeeze in anywhere with a capacity of 32 people (17 seated + 15 standing + 1 PRM). But its main asset is that it is **100% electric**: 0 noise and 0 pollution! With its 110kW underfloor batteries, it can travel up to 200km on a single charge and only needs 2 hours to recharge. A green vehicle, also equipped with air conditioning for your comfort during those summer visits.
